BSRM celebrated the 6th Anniversary of Vision & Values adoption day, on 7th February, 2016. The sole purpose of the program was to appreciate every employee's contributions to the success of the company.

The management team and other officials reaffirmed their future commitments for 2016, which will impact the Group's performance for the year. In this event, BSRM took the opportunity to award employees who set the best examples of living the BSRM values through their everyday work place actions. The event also acknowledged some devoted employees with "The Employee of the year" award in several categories. Other awards were given to appreciate the loyalty of those employees who served the company for a long time.

V&V celebration is one event that brings everyone together. Management teams from different parts of the country assembled to cherish the unity which led the company to success. After the award ceremony, there was a raffle draw segment, where 15 lucky employees won attractive prizes. The event concluded with a dinner.
