

CUSTOMIZED STEEL SOLUTIONS

## SecuRing (Stirrups), Cut & Bend Bar Bending Schedule

BSRM FastBuild is an innovative downstream service which gives customized rebar solutions for all construction related needs. BSRM FastBuild offers BBS (Bar Bending Schedule) development, cut & bend, and stirrups.

BSRM FastBuild follows Bangladesh National Building Code (BNBC) and ACI to deliver all these customized rebar solutions.

### Types of FastBuild service:

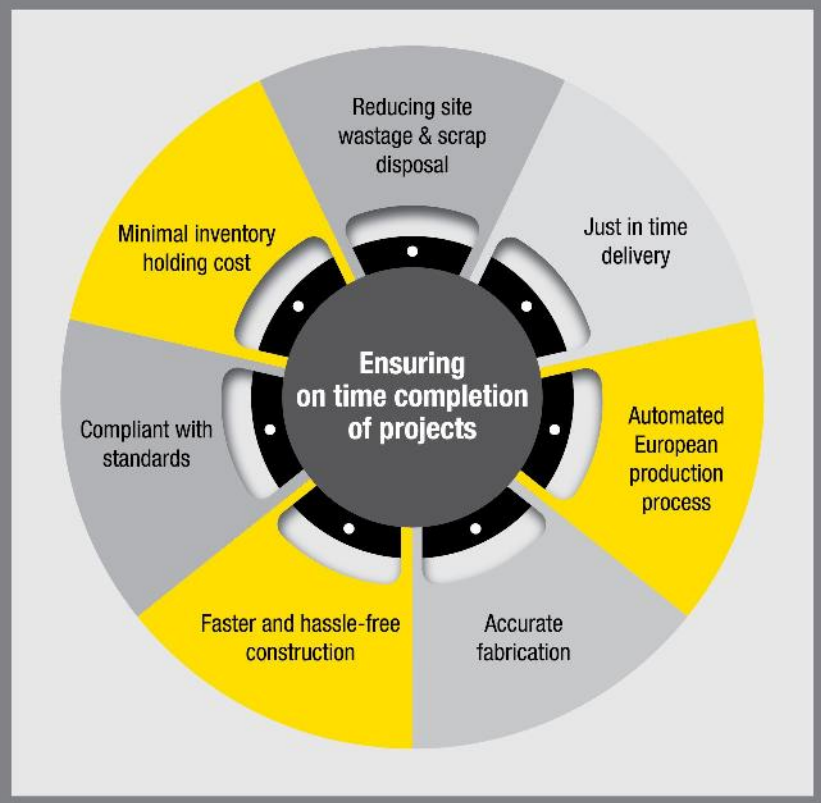

#### Bar Bending Schedule (BBS):

This is the representation of the bend shapes and cut length of rebar, which are prepared from structural drawings. The BBS describes the location, mark, type, size, length, number, and bending details of each bar in a reinforcement drawing of structure, presented in a tabular form for easy visual reference.

#### Cut & Bend:

This service provides the customized lengths & shapes of the rebar as per the approved BBS following BNBC & ACI Codes. The rebars are delivered along with proper tags.

### Benefits of BSRM FastBuild service:

### Rebars of different sizes and shapes including customized variants

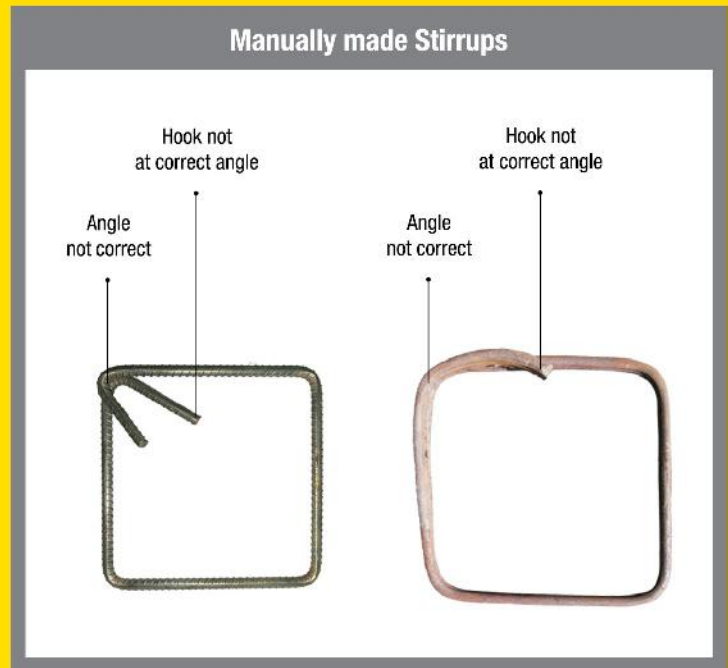

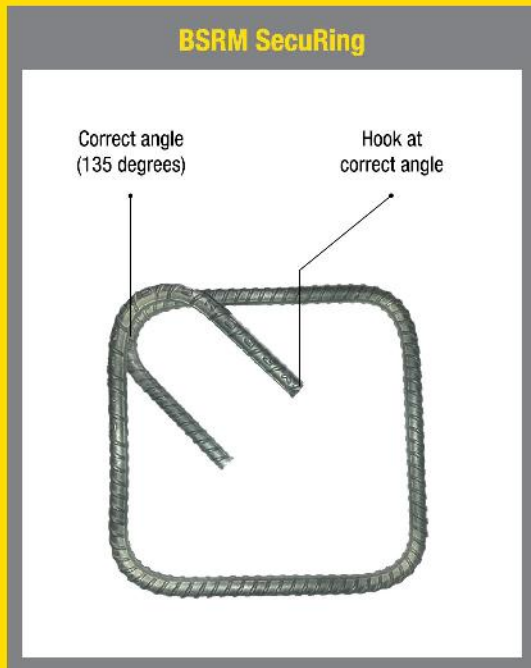

BSRM SecuRing is high quality graded stirrups. BSRM SecuRing is manufactured using European technology & in accordance with Bangladesh National Building Code (BNBC) and ACI.

### Why BSRM SecuRing?

	<b>BSRM SecuRing</b>	<b>Locally manufactured STIRRUPS</b>
Accurate Size & Measurement	All stirrups are made exactly according to the specified <b>size &amp; measurement</b>	No correct size or measurement
135 Degree Hook	The hook of the correct angle (135 degrees) is smoothly embedded into the concrete and acts as <b>earthquake resistance</b>	As the correct angle (135 degrees) is not maintained, the hook does not smoothly embed into the concrete and therefore does not act as earthquake resistance

This is how automated machine-manufactured BSRM SecuRing ensures the quality and safety of your construction.

### Saving of BSRM SecuRing in comparison with locally made stirrups

<b>Rebar Dia (mm)</b>	<b>Sizes</b>	<b>Savings</b>
10	7" x 7"	8%
10	7" x 9"	7%
10	7" x 12"	6%

**RANGPUR OFFICE**

Olipur Market,  
Goneshpur, R K Road, Rangpur
